# 2025-2026 SEASON

**We believe in the magic of live performance—** those unforgettable moments that inspire, connect, and transform. As home to the Toledo Symphony, Toledo Ballet, and Toledo Jazz Orchestra, we bring extraordinary music, dance, and artistry to you.

The Toledo Symphony's season features masterpieces like *Symphonie Fantastique*, *Appalachian Spring*, and Brahms's First Symphony, with world-renowned guest artists such as Olga Kern, Sara Davis Buechner, Kerson Leong, and Angela Meade. The KeyBank Pops Series blends timeless classics with contemporary artistry, highlighting artists like international chanteuse Emilie-Claire Barlow and Toledo native and Broadway sensation Sara Sheperd.

The Toledo Jazz Orchestra opens the season with Latin jazz legend Arturo Sandoval, while the Toledo Ballet celebrates its 85th Nutcracker, the longest running in North America.

We also mark a milestone with the opening of the Toledo Center for Live Arts, a new home for education and artistic collaboration. This space unites students and professionals, fostering creativity and community.

Thank you for being part of this journey. **We can't wait to share every moment with you.**

## FROM TOLEDO TO BROADWAY

SATURDAY, JANUARY 31  
8PM | THE PERISTYLE

The Toledo Symphony brings the magic of Broadway to life with show-stopping hits from beloved musicals. Toledo native Sara Sheperd—who starred as Carole King in the national tour of *Beautiful*—joins the orchestra to perform songs from *Les Misérables*, *Funny Girl*, *Cabaret*, and more. With Sheperd's powerful vocals and the orchestra's rich sound, experience the emotion, drama, and excitement of Broadway's greatest moments, all in one thrilling evening of music.

## SYMPHONIC SCI-FI

SATURDAY, MARCH 14  
8PM | THE PERISTYLE

Blast off on a musical voyage through time, space, and imagination across futures real and imagined—where soaring strings, bold brass, and heart-pounding rhythms bring the world of science fiction to life. From the mystery of deep space to the thrill of interstellar battles, this concert features cinematic and symphonic favorites inspired by everything from legendary space missions to fantastical futures. Whether you grew up with the soundtracks of classic sci-fi films or are a fan of modern video game epics, this is a night of unforgettable music that's out of this world.
